Join us for the 2020 American Indian Science and Engineering Society’s National Conference

American Indian Science and Engineering Society (AISES) is thrilled to bring its 2020 National Conference to Spokane, WA. The AISES National Conference has become the premier event for Indigenous STEM professionals and students, attracting members and attendees from the U.S. and Canada, and as far away as Alaska and Hawaii.

Take advantage of the unparalleled opportunity to connect your company to 2,000+ conference participants who are focused on learning the important trends, needs, and research impacting Indigenous STEM studies and careers. Participants are looking for the connections, resources, and services to advise and advance their academic work and careers.

The National Conference works towards achieving the AISES mission by providing students and professionals access to career pathways, professional and leadership development, research, and networking that also meaningfully incorporates Native culture into this signature event.

For 42 years, the AISES National Conference has provided:
- STEM career pathway awareness and exploration
- Professional development skills-building workshops
- Career and community leadership development sessions
- Research education, training, exchange and dissemination
- Networking
- Mentorship
- Career, internship and academic opportunities during the largest College and Career Fair in Indian Country
- Pathways for integrating STEM research and careers with Native culture and identity
- Interactions with Native elders and cultural ceremonies to motivate and empower Native students and professionals to persist and excel in their STEM studies and careers.

About AISES

The mission of the American Indian Science and Engineering Society (AISES) is to substantially increase the representation of American Indians, Alaska Natives, Native Hawaiians, Pacific Islanders, First Nations and other Indigenous peoples of North America in science, technology, engineering and math (STEM) studies and careers.

Each year, AISES holds its annual Conference in a different region of the country.

Save the date for our 2021 National Conference in Phoenix, AZ (September 23-25) and our 2022 event in Palm Springs, CA (October 6-8).

For more information about AISES and the 2020 National Conference, please visit the following websites:

Winds of Change Media Discounted Gemstone Advertising Options

Gemstone Sponsors can benefit from advertising discounts in the Winds of Change Magazine that guarantees print and digital visibility to all AISES members and supporters. In addition to the premier national magazine, Winds of Change publishes a twice-monthly Paths to Opportunities digital newsletter and three websites: aises.org, conference.aises.org, and woc.aises.org.

These high-value resource and recruitment tools deliver results for associations, governments, and corporations, as well as for colleges and universities across the United States and Canada. Winds of Change offers year-round possibilities for all advertisers to engage Indigenous North Americans interested in academic and career achievement and advancement in STEM disciplines.

Increase your reach by advertising in the Paths to Opportunities digital newsletter that is delivered twice a month to 14,000+ target audiences with unparalleled specificity.

Strength in Numbers

Winds of Change magazine is published five times annually – three print and two digital-only issues. Print editions are mailed to over 6,500 students and professionals, and the companion digital edition, available at woc.aises.org for download 24/7, is emailed in a format enhanced for mobile devices to over 14,000 members and subscribers. Each Paths to Opportunities student version newsletter highlights news of scholarships, fellowships, and internships. Each Paths to Opportunities professional edition newsletter highlights news and information on career development, internships, and employment opportunities for STEM professionals. Mobile and desktop audiences gravitate to our publications because of the top-quality advertisers, content, graphics, and images.

AISES is here to help increase your awareness online and in print. We offer customizable packages that may be leveraged for a larger purchase. We can create a package to fit your business and any budget.

For information about custom Native Circle packages that include community programming, contact Shayna Gutierrez at 720-758-9669 or sgutierrez@aises.org.
Educational Programming and Academic Competitions

AISES offers a multitude of educational workshops, trainings, and sessions to its members throughout the National Conference. These offerings are designed to help prepare and encourage students so they may successfully progress to the next level of their educational and professional pursuits.

Research Competitions

Graduate, undergraduate, and high school students submit written abstracts and present their research using a poster or oral format. Submissions are evaluated by a committee of STEM professionals.

Graduate Research Oral & Poster Competitions ($10,000 investment or 2 co-sponsors at $5,000)

Sponsors will receive acknowledgement in the conference program, research abstract booklet, at the presentation location, and during the Student Awards Luncheon.

Undergraduate Research Oral & Poster Competitions ($10,000 investment or 2 co-sponsors at $5,000)

Sponsors will receive acknowledgement in the conference program, research abstract booklet, at the presentation location, and during the Student Awards Luncheon.

High School Poster Competition ($5,000 investment)

Sponsors will receive acknowledgement in the conference program, research abstract booklet, at the presentation location, and during the Student Awards Luncheon.

Student Awards Booklet ($5,000 investment)

The Student Awards booklet recognizes AISES high school and college student award recipients. Winners of academic competitions and academic scholarships are acknowledged. The sponsor is recognized on the cover of the Student Awards Booklet.

Student Research Abstract Booklet ($2,500 investment)

The digital student research abstract booklet contains the abstracts of all student research projects presented during the poster and oral competitions. The sponsor’s logo will be featured prominently in the digital issue (posted online) and acknowledged in the conference program.

Educational Sessions and Workshops

Student Orientation ($5,000 investment)

Provide five-minute welcoming remarks at the mandatory orientation for all student conference attendees.

Session Tracks ($5,000 investment)

Includes recognition in conference program and a 5-minute welcome from the sponsoring organization preceding the first session of each track. Opportunity to disseminate materials (requires pre-approval). Sponsors may select from the following:

- **Agricultural Sciences** - **SOLD**
- **College** - **SOLD**
- **Educator**
- **Health and Medical Science**
- **High School**
- **Professional**
- **Research**
- **STEM & Business**

</table>
STEM Activity Day ($10,000 investment)
A conference event targeting middle and high school students with hands on programming and interactive sessions.

Event Sponsorship Opportunities

Resume Room ($10,000 investment or 2 co-sponsors at $5,000)
The Resume Room will be available to students on Thursday and Friday. Equipped with computers, printers and staffed by experts from sponsoring organizations, participants will fine tune their resumes for upload to the AISES Resume Database and to distribute at the National Conference College and Career Fair.

Plenary Luncheon ($25,000 investment)
Host a plenary session for all conference attendees (can be offered to a targeted audience). Feature a presentation/discussion on a topic relevant to AISES members. Content must be developed in collaboration with AISES. On the day of the luncheon, a representative of the selected sponsor will provide a brief introduction.

Student Awards Luncheon ($20,000 investment or 2 co-sponsors at $10,000)
The Awards Luncheon pays tribute to AISES students, announcing the conference research presentation winners and acknowledging AISES scholarship recipients. Sponsor will be acknowledged in conference program and will have the opportunity to give a brief (5 minute) address during the luncheon.

Closing Banquet ($20,000 investment or 2 co-sponsors at $10,000)
The Closing Banquet celebrates AISES and the students, professionals, and partners who are a part of our journey. At the event we will also pay tribute to the 2020 Professional of the Year awardees. Sponsor will be acknowledged in all conference materials and throughout the banquet.

Keynote Breakfast ($20,000 investment)
Host a keynote breakfast session for up to 500 conference attendees (can be offered to a targeted audience), featuring a speaker selected by AISES. Sponsors will receive a table for 10 and will open the session with a brief introduction.

College & Career Fair Lunch ($20,000 investment or 2 co-sponsors at $10,000)
Sponsors of the College and Career Fair Lunch will be recognized during the event, in the conference program and on signage in front of the exhibit hall and lunch service area. Sponsors will be welcome to give a brief (5 minute) address during the lunch hour.

Corporate Advisory Council and Tribal Nations Advisory Council Luncheon ($10,000 investment)
This event brings together corporate and tribal leaders to network, explore partnership opportunities, discuss AISES engagement, and more. Sponsor will be acknowledged in the conference program and will be invited to make welcome remarks at the luncheon.

Kick-off Event ($10,000 investment)
Help AISES kick-off the 2020 National Conference by sponsoring an ice-cream social and Open Mic night. This event will be held on Wednesday evening.

Student Social ($10,000 investment or 2 co-sponsors at $5,000)
This fun filled social event will include entertainment, dancing and snacks on Friday night. Sponsors will receive prominent visibility throughout the evening.

Professional Members Mixer ($10,000 investment or 2 co-sponsors at $5,000)
The AISES professional members gathering is an exciting event bringing together hundreds of individuals from various industry areas. Sponsors will have an opportunity to address participants and will have visibility throughout the evening and in conference materials.

Traditional Native Powwow ($10,000 investment)
Sponsor the traditional AISES Social Powwow that is held on Saturday evening. This is the "grand finale" event for the conference and welcomes both conference attendees and local community members.

Networking Suites ($5,000 investment)
This buffet style networking event offers a series of simultaneous receptions for conference participants to meet others with common interests and careers. As a casual networking opportunity, preceding the College & Career Fair, many use this time to meet and mingle with students and to set up meetings and interviews. This year, AISES will offer the following suites (all available for sponsorship):
- Academia/Research
- Armed Forces/Intelligence
- Energy
- Natural Resources, Food and Agriculture
- Health and Medical Science
- Tech, Telecom and Casino Gaming
- Transportation
- Manufacturing and Consumer Goods - SOLD
- Other (Call for other possible suites or to purchase a company branded suite)

Sponsors will be acknowledged in the conference program and on signage for each suite.

Wellness Activity ($5,000 investment)
Participants engage in morning wellness activities on Friday and Saturday. Sponsor will be acknowledged in conference program and at the activity each morning.

Industry Partner Tours ($5,000 investment)
AISES will coordinate various Industry Partner Tours for students and/or professionals. Sponsorship will cover transportation and advertising. Companies sponsoring tours will receive acknowledgement in conference materials including website and social media.

Other Exciting Sponsorship Opportunities

Hackathon ($10,000 investment, 2 available)
hackAISES sparks creativity and ingenuity within Native students about the various possibilities technology offers while also fueling innovation by discussing how technology can be a powerful tool within their own communities. Support this one-of-a-kind event with a sponsorship and by offering hands-on support to participants.

Select from:
- High School Hackathon
- College Student Hackathon

Social Media Booth ($10,000 investment)
Host a Social Media Booth with included benefits such as signage at the booth and in the conference program. Company logo will be included on photo strips and streaming social media.
Wi-Fi and Mobile App Sponsorship ($10,000 investment)
Help connect conference participations as the Wi-Fi sponsor and invest in the mobile app, used by conference attendees throughout the event. Mobile app details agenda, exhibitors, speaker bios and offers a newsfeed! Sponsor will receive acknowledgement in a splash page when participants connect to the internet and the AISES Conference App.

Conference Program Printing ($10,000 investment)
Receive the back cover of the program for your full-color advertisement. This is an exclusive advertising opportunity; as only Medallion, Jade, Turquoise or Sweetgrass sponsors can place ads in the conference program.

Snack Break ($10,000 investment, multiple available)
Host a snack break at the conference and receive prominent signage, acknowledgement in the conference program and access to students and professionals during the break.

Footprints ($5,000 investment)
Sponsor logos will be placed on footprints throughout the convention center used to guide and direct conference participants.

Elders Lounge ($5,000 investment)
Support intergenerational cultural and educational exchange by sponsoring the Elders Lounge. Throughout the event AISES’ Council of Elders and local elders welcome students and professionals to join them for coffee and conversation.

Coffee Break ($5,000 investment, multiple available)
Host a coffee break at the national conference and receive prominent signage, acknowledgement in the conference program and access to students and professionals during the break.

Water Bottles ($10,000 investment or 2 co-sponsors at $5,000)
Keep conference participants hydrated throughout the duration of the conference by sponsoring the official water bottle with your organizational logo. All fully-registered conference attendees will receive a water bottle at registration.

Snapchat Filter ($2,500 investment, 6 available)
Purchase a Snapchat geofilter for participants to access and use at the convention center area for up to 12 hours. Filters can incorporate company logo, booth number, or other graphics.

Student Travel Scholarship ($1,500 investment)
Underwrite an AISES student’s attendance at the 2020 National Conference. Your $1,500 sponsorship will be applied towards round-trip travel, lodging and conference registration for one student.

EXHIBITOR INFORMATION: For those who are interested in solely exhibiting without conference sponsorship options, please consult the table below. Exhibit space is assigned upon completed and paid registration. Floor assignments are made on a first-come, first-served basis. We do take booth location preferences into consideration, but we make no guarantee regarding placement.

The College and Career Fair will be held from 9-4 pm on October 16.

Leadership Summit

The focus of the Leadership Summit is to build the skill and aptitude levels of AISES members in the realm of professional and career development - to better prepare them to attain and excel at jobs and careers in STEM fields.

Scheduled for February 16-18 in Temecula, CA at the Pechanga Resort Casino, the 2020 Summit combines our professional members with our high school and college student members in a smaller setting than national conference to provide opportunities to form important connections that will help our members now as well as in the future. AISES student members will broaden their support network by engaging and connecting with peers who are in similar fields of study who are able to share their experiences, strength and encouragement amongst themselves.

Consider partnering with AISES for the Leadership Summit in 2020:

Other Leadership Summit sponsorship opportunities:

$2,500 Session Tracks
Sponsor key educational session tracks for the various Summit audiences. Your investment includes recognition in the conference program. Select from:

- High School
- College
- Professional

$1,250 Student Travel Scholarship
Underwrite an AISES student’s attendance at the 2020 Leadership Summit. Your $1,250 sponsorship will be applied towards round-trip travel, lodging and conference registration for one student.
Regional Conferences

Regional Conferences are held on various dates each spring and provide an opportunity for AISES College and Professional Chapters to gather and share information, form partnerships, and network with each other and with selected presenters and partners. Each regional conference has a number of informative sessions, mini career fairs, poster presentations, engineering competitions for college and high school students, and traditional Native American cultural presentations. Regional conferences take place in the U.S. and Canada.

2020 Regional Conferences (Dates tentative and subject to change)

Region 1: University of Washington - Seattle, April 2-4
Region 2: University of California Riverside, April 17-19
Region 3: Arizona State University, SkySong Campus, March 27-28
Region 4: College of Muscogee Nation, March 7
Region 5: Nueta Hidatsa Sahnish College, April 3-4
Region 6: Rochester Institute of Technology, March 21
Region 7: North Carolina State University, March 27-28
Canada: University of Saskatchewan, February 28-March 1

Additional Regional Conference information is available at https://www.aises.org/news/events/regional-conferences

Sponsorship Opportunities are available to partners interested in supporting individual or all of the events.

The American Indian Science and Engineering Society (AISES), in partnership with Oklahoma State University’s Division of Institutional Diversity are honored to present the National American Indian Science and Engineering Fair (NAISEF) to be held on the Oklahoma State University (OSU) campus on April 4, 2020.

Sponsorship opportunities are now available for partners interested in investing in the premier pre-college event for Indigenous students in science, technology, engineering and mathematics (STEM).

Legacy Builder ($10,000 investment)
• Premier logo placement at event check-in/registration
• Recognition as a sponsor in all event print materials including program and signage
• Recognition as a sponsor on event website
• Company logo displayed throughout event in promotional video
• Recognition in all media publications as a major presenting sponsor including logo placement in the AISES Winds of Change Magazine
• Recognition post on AISES Social Media Channels (Facebook, Instagram, Twitter)
• Opportunity to disseminate marketing materials to participants during the event
• Reserved seating at awards ceremony
• Opportunity for representative to present an award during event
• Opportunity for representative to speak (5 minutes) at the event awards ceremony
• 1-year access to the AISES resume database
• 10 complimentary job postings on the AISES Career Hub
• Option for discounted advertising in AISES Winds of Change Magazine
• Exclusive VIP Appreciation Package for 4 representatives

STEM Champion ($5,000 investment)
• Recognition as a sponsor in all event print materials including program and signage
• Recognition as a sponsor on event website
• Company logo displayed throughout event in promotional video
• Recognition in all media publications including logo placement in the AISES Winds of Change Magazine
• Opportunity to disseminate marketing materials to participants during the event
• Reserved seating at the event awards ceremony
• Opportunity for representative to present an award during event
• Option for discounted advertising in AISES Winds of Change Magazine
• Exclusive VIP Appreciation Package for 3 representatives

STEM Advocate ($2,500 investment)
• Recognition as a sponsor in all event print materials including program and signage
• Recognition as a sponsor on event website

Company logo displayed throughout event in promotional video
Recognition in all media publications including logo placement in the AISES Winds of Change Magazine
Option for discounted advertising in AISES Winds of Change Magazine
Exclusive VIP Appreciation Package for 2 representatives

STEM Partner ($500 investment from individual)
• Recognition as a sponsor in event program
• Logo/Name displayed throughout event in promotional video
• Exclusive VIP Appreciation Package for 1

Networking Reception ($2,500 investment)
Host the networking reception to be held the evening of April 3. Sponsor will receive prominent signage, acknowledgement in the conference program and the opportunity to give a brief welcome to participants along with representatives from AISES and OSU.

Luncheon ($2,500 investment)
Host the event luncheon for student participants, educators, and other attendees. Sponsor will receive prominent signage, acknowledgement in the conference program and the opportunity to interact with students during the lunch break.

Student Awards Banquet ($5,000 investment)
The Awards Banquet will celebrate student award winners. Sponsor will receive a table for 10, can make brief (5 minute) remarks and will be acknowledged in event program.

Snack Break ($1,500 investment)
Host a snack break at the Science Fair and receive prominent signage, acknowledgement in the conference program and the opportunity to interact with students during the break.

Travel Scholarship ($2,000 investment, 2 available)
Underwrite the cost for the two winners and their designated chaperone to attend and participate in the International Science and Engineering Fair. Your investment will cover airfare, hotel, meals and other costs incurred as the NAISEF winners compete on an international platform.

For more information or to discuss a custom sponsorship package, please contact Kellie Jewett-Fernandez or Chris Bingham. Please confirm your sponsorship by March 13 to ensure recognition in print and digital event media.

Programs

AISES works in collaboration with its partners to deliver innovative and engaging programs for its K-12, college, educator and professional membership. Consider supporting one or more of the outreach programs detailed below, or contact us to discuss other options to invest.

SPRK-ing Interest in Computer Science

AISES delivers an exciting K-12 program combining robotics and computer programming to increase awareness and interest in STEM and Computer Science (STEM+C) among Native American students. The program engages students in hands-on STEM+C activities powered by Sphero technology, created by AISES and tailored to Native students.

The goal of this STEM+C program is to inspire young Native minds to pursue and excel in their STEM and Computer Science education. Additionally, AISES hopes to build capacity of educators and schools to provide cutting-edge technological STEM+C experiences for its students by providing teacher trainings, lesson plans, and all equipment necessary to incorporate Sphero in the classroom.

Academic Scholarships

AISES academic scholarships help to offset tuition and other educational expenses that will help undergraduate and graduate students to matriculate and move on to the next academic or professional level. Scholarship recipients are selected from a highly competitive pool of applicants based on academic merit, recommendations, and field of study.

Internships

The AISES Internship Program provides students with applied work experience and an opportunity to explore career options. Placing students in 10-week summer positions with partner agencies, the program also promotes advanced study to the graduate level and assists students in developing professional networks. Interns are provided with round-trip airfare or mileage to internship site, a weekly stipend, dormitory lodging and a local transportation allowance.

Other Branding Opportunities with AISES

AISES Career Hub

Posting jobs on the AISES website enables employers to advertise opportunities within their organizations to a wide population of AISES members. AISES membership is comprised of professionals, students, educators, and others in science, engineering and related technical fields. With over 4,800 active members, and many others that visit the website, advertising your job postings online with AISES is a great way to attract great candidates. In addition, job postings may be featured in our monthly opportunities newsletter that goes out to more than 14,000 individuals. https://careers.aises.org/

Winds of Change Advertising

Winds of Change (WOC) is the American Indian Science and Engineering Society’s (AISES) premier national magazine that has been in circulation since the mid-1980s and has a readership of over 6,500. WOC’s tag line is “Expanding Opportunities for American Indians, Alaska Natives, and Native Hawaiians” in science, technology, engineering and math (STEM) studies and careers. WOC is wildly popularly among Indigenous North Americans because it is designed to increase student engagement, achievement, advancement, and presence in STEM disciplines.

Winds of Change Magazine offers numerous possibilities for advertisers at all levels to reach Indigenous North Americans in STEM throughout the entire year. WOC is published five times annually — with three print and two digital-only issues. Other advertising opportunities include Paths to Opportunities - a twice monthly produced digital only newsletter that is sent to over 14,000 on the conference.aises.org and woc.aises.org websites. We offer great packages for our sponsors and exhibitors and can create a custom program to fit any budget.
